

## A Names Key & Index for the MRL/PRL History Book Cover

The table below (in two parts) enables a photo on the book's rear cover to be associated with the person's name. It was compiled by a number PRL retirees.

If you wish to find a named person on the cover, then first look them up in the alphabetical list that follows the table, and then use the grid coordinates to find them on the cover.

**Note** 15 people have their photo in twice, and there are many unidentified photos. If you can suggest a name where there is a blank, please contact Phil Lloyd on [pepawebmaster@googlemail.com](mailto:pepawebmaster@googlemail.com) Thank you!
